FOR IMMEDIATE RELEASE

Electronic Benefits Transfer to Start in WIC

DECATUR, IL- The Macon County Health Department (MCHD) will begin to offer Electronic Benefits Transfer (EBT) on April 6, 2020. Our clients will be moving from a paper voucher system to one in which an electronic, plastic card will be used. In the coming weeks, the Women, Infants and Children (WIC) staff will be learning how to better serve the community with this new system which will result in some changes in service hours during the process.

The WIC Office will be closed April 1st and April 3rd. There will be very limited services on March 30th and 31st, April 2nd, and April 6th through April 17th.

The MCHD and WIC staff are asking for your patience as we learn to serve you using this exciting new system. Please feel free to call us at 217-423-3764 with any questions.
