With great sadness, the Joint Crisis Communication Team announces the passing of three Macon County residents with COVID-19. One resident was a female in her 100s, one resident was a female in her 80s and one resident was a male in his 50s. Our team would like to extend our heartfelt condolences to the families and friends of these people, and we ask that they are given respect and privacy as they mourn the loss of their loved ones.

As depicted in the infographic released today, there have been 15 newly-confirmed cases of COVID-19. Since the start of the pandemic, 1,420 Macon County residents have tested positive for COVID-19. Please refer to the Illinois Department of Public Health's website to view the total number of COVID-19 tests performed. You can find this information at the following link - <https://www.dph.illinois.gov/covid19/covid19-statistics> - by selecting Macon County in the dropdown box.

We encourage all community members to implement social distancing and face covering best practices to limit the spread of COVID-19. People with COVID-19 have reported a wide range of symptoms. If you experience symptoms of COVID-19 with which you are concerned, please call your primary care physician first. Do not show up at a hospital emergency room or doctor's office unless it is a true emergency.
