All numbers reflect status at time of release. Demographic information reflects confirmed cases only. Deaths are included in the number of confirmed cases. All numbers displayed are provisional and are subject to change.

As depicted in the infographic released today, there have been 63 newly-confirmed cases of COVID-19. Since the start of the pandemic, 1,075 Macon County residents have tested positive for COVID-19. There have been 28,968 Macon County residents tested for COVID-19.

We encourage all community members to implement social distancing and face covering best practices to limit the spread of COVID-19. People with COVID-19 have reported a wide range of symptoms. If you experience symptoms of COVID-19 with which you are concerned, please call your primary care physician first. Do not show up at a hospital emergency room or doctor's office unless it is a true emergency.

Individuals without a primary care physician can call:

- DMH Medical Group: (217) 876-2856
- HSHS Medical Group Patient Advocate: 844-520-8897
- Crossing Healthcare: (217) 877-9117
- SIU: (217) 872-3800

For COVID-19 screening, please call one of the following:

- Crossing Healthcare: (217) 877-9117
- HSHS St. Mary's Hospital 24/7 COVID-19 Hotline: (217) 464-2966

Anyone entering healthcare facilities should be prepared to be screened before entering.
