All numbers reflect status at time of release. Demographic information reflects confirmed cases only. Deaths are included in the number of confirmed cases. All numbers displayed are provisional and are subject to change.

Number of Newly-Confirmed Cases Since Last Release:

- 13

Number of Confirmed COVID-Related Deaths Since Last Release:

- 0

Total Number of Confirmed Cases in Macon County Since Start of Pandemic:

- 10,935

Through case investigations and contact tracing, it was determined that one previously-reported case was a resident of another county and their case was transferred to the appropriate health department. Thus, the total number of cases is 12 more than yesterday's total.
