• **Notes for all 2<sup>nd</sup> Dose Clinics:**

- Those who did not receive the automated communication; were not able to successfully register via the link; and/or do not have computer or phone access will be able to call (217) 718-6205 to schedule an appointment via the vaccination line Monday through Friday 9 a.m. to 3 p.m. (except holidays). There are plenty of available appointments for all residents due for a second dose from the MCHD at this time.
- Do not register for any clinic or attend an appointment if you are experiencing symptoms of COVID-19, are awaiting COVID-19 test results, or are in isolation and/or quarantine.
- Be prepared to wait 15-30 minutes for monitoring after receipt of vaccine.

Those who plan to attend should:

- Bring a work ID badge or current paystub to verify frontline essential worker status or a form of ID to verify age to prove eligibility (Those who cannot provide proof of residency or employment in Macon County will be turned away.);
- Bring a copy of your insurance card. If you have Medicare, be sure to bring your red, white, and blue Medicare card, even if you're enrolled in a Medicare Advantage Plan. If you are unable to make a copy, please bring the original;
- Bring your COVID-19 Vaccination Record Card (received during first dose);
- Wear a short sleeve shirt and face covering;
- Complete vaccine forms, print, and bring them to the clinic to save time. The vaccine forms can be found by visiting **maconcountyhealth.org**. If you are unable to complete and print the forms, they will also be available onsite;
- Be prepared to complete the MCHD screening process upon arrival. This process includes answering questions as well as a temperature check.
