## FOR IMMEDIATE RELEASE

February 6, 2021

### **Moderna 2<sup>nd</sup> Dose Clinic to Be Held on February 9, 2021**

DECATUR, IL – The Macon County Health Department (MCHD) is announcing the following 2<sup>nd</sup> Dose Clinic for the upcoming week. There are plenty of available appointments for all residents due for a second dose from the MCHD at this time. Please read and share the details of this clinic in their entirety.

**\*\*\*Note: This clinic is intended ONLY for persons who live or work in Macon County AND who received their 1<sup>st</sup> Moderna COVID-19 vaccine from the MCHD on or before January 15<sup>th</sup>.\*\*\***

- February 9 – **2<sup>nd</sup> Dose Clinic ONLY** (No 1<sup>st</sup> doses will be administered.)
  - Persons who received their COVID-19 vaccine from the MCHD on or before January 15<sup>th</sup> are invited to schedule an appointment.
  - 9:00 a.m. to 2:00 p.m.
  - Location: Richland Community College at the National Sequestration Education Center (3357 N. President Howard Brown Blvd.) near the wind turbines
  - Eligible recipients should have received a text, email, or phone call from the MCHD automated system with more details **if a consent form was signed during their first vaccine appointment.**
  - A link to register has been sent via the same automated system and is as follows: <https://bit.ly/39V03IN>. This link is ONLY for those who are eligible for this 2<sup>nd</sup> Dose Clinic. This link will also be available on our Facebook page [Macon County Health Department (Decatur, IL)] and website ([maconcountyhealth.org](http://maconcountyhealth.org)).
  - Those who did not receive the automated communication; were not able to successfully register via the link; and/or do not have computer or phone access will be able to call (217) 718-6205 to schedule an appointment via the vaccination line Monday through Friday 9 a.m. to 3 p.m. There are plenty of available appointments for all residents due for a second dose from the MCHD at this time.

- Do not register for the clinic or attend an appointment if you are experiencing symptoms of COVID-19, are awaiting COVID-19 test results, or are in isolation and/or quarantine.

Those who plan to attend should:

- Bring a work ID badge or current paystub to verify frontline essential worker status or a form of ID to verify age to prove eligibility (Those who cannot provide proof of residency or employment in Macon County will be turned away.);
- Bring a copy of your insurance card. If you are unable to make a copy, please bring the original;
- Bring your COVID-19 Vaccination Record Card (received during first dose);
- Wear a short sleeve shirt and face covering;
- Complete vaccine forms, print, and bring them to the clinic to save time. The vaccine forms can be found by visiting [maconcountyhealth.org](https://maconcountyhealth.org). If you are unable to complete and print the forms, they will also be available onsite;
- Be prepared to complete the MCHD screening process upon arrival. This process includes answering questions as well as a temperature check.
